ADVANCED ANALYTICS

RIGHT AT YOUR FINGERTIPS

SHOTTRACKER TEAM APP

Working in coordination with the ShotTracker technology, this app allows you to view all of your team's stats and analytics, instantly.

REAL-TIME BOX SCORES

- Deeper understanding of how your team is performing.
- The ability to sort by specific stats numerically.
- Live competition between players.

COMPARE PLAYERS

- Understand the strength and weaknesses of each player
- Identify who deserves the playing time.
- Build out specific plays based on their shot %'s.

ZONE MAPS & SHOT CHARTS

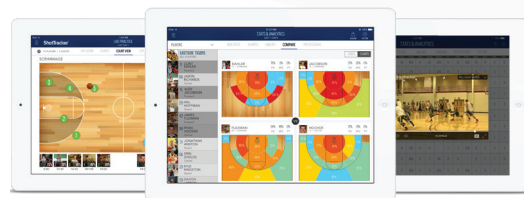

- Instantly identify a player's shooting strengths.
- Find the best shooter for a specific play.
- Get shots to the right players with customized plays.

VIDEO INTEGRATION

- Integration capabilities with your current video system.
- Review player highlights without the wait.

ADVANCED ANALYTICS

- In-depth statistical and performance data.
- Insights on how to utilize the data ShotTracker provides.
